

ROLLER SHADES

Battery-powered roller shades

Battery-powered shades are cost-effective, easy to maintain, and ideal for areas that require a wire-free solution.

Battery basics

Triathlon battery-powered shades use regular store-bought batteries, with battery life dependent on shade size, fabric type, and the number of times the shade is opened and closed every day. That means the shade has the potential to move thousands of times on a single set of batteries.

The batteries are located within the headrail; simply tip the headrail forward to reveal the battery tray, without taking the shade down.

Shade sizes

Battery-powered roller shades are available in configurations up to 12' wide by 12' tall.

ROLLER SHADES

Battery-powered fascia options

Architectural—provides a clean and contemporary aesthetic for spaces that require a modern finish.

Exposed standard—this slim profile can be hidden with custom top treatments.

Fabric-wrapped—ideal for applications with a more traditional design aesthetic, fabric-wrapped fascia provides a finished look with matching fabric.

Exposed WIDR—this profile can be concealed with a custom top treatment or left uncovered for an industrial aesthetic.

PALLADIOM ROLLER SHADES

Palladiom roller shades

Palladiom roller shades are in a class by themselves. Sleek and sophisticated, they feature exposed bracket hardware designed specifically to be seen. The bracket, together with the roller tube's slender profile and carefully balanced bottom rail, take this distinctly crafted automated solution to new heights.

Coordinating Palladiom controls

Block midday glare with one touch of a Palladiom keypad, which complements Palladiom shades and temperature control for a sleek, coordinated aesthetic.

You can also add Lutron lighting control to any Lutron automated shading solution, for convenient control of lights as well as shades all from the same control station.

ROLLER SHADES

Roller shades

Sivoia QS roller shades complement both traditional and contemporary designs and are available in different sizes to accommodate the needs of any room. Sivoia QS shades are hard-wired solutions.

Precision control

All Lutron shades feature intelligent hembar alignment, which was designed to synchronize all automated shades in a single room, or in an entire home.

Pocket—recessed into the ceiling, pockets offer blackout capability for the window and a protective enclosure for the entire shade system.

Fascia—this decorative cover conceals the roller and is ideal for more conventional spaces as a round or a square profile.

ROLLER SHADE FABRICS

Roller fabric opacity

Sheer

- Open weaves preserve exterior views while protecting furnishings from U/V rays.
- Ideal for rooms where you don't need complete privacy

Translucent

- Tighter weaves transform harsh daylight into a soft, filtered glow
- Provides increased privacy for spaces like bathrooms

Room darkening

- Opaque fabrics block light from entering a space
- Ideal for bedrooms and media rooms

Control styles

You can choose keypad styles to complement a room's look and feel, and to coordinate with the overall design of your home.

Lutron Fabric Collections

The Lutron Fabric Collections is our newly refreshed and redesigned fabric offering. Curated from leading fabric suppliers all over the world, our fabric offerings bring Lutron window treatments to the forefront of fashion. Created for high-end residences, these four fabric lines encompass over 1,500 fabrics.

The Classico Collection

This collection of performance fabrics is available for roller, tensioned, and cable-guided shades.

The Gallery Collection

The Gallery Collection is an extensive line of fashion fabrics for roller shades, horizontal sheer blinds, and wood blinds.

Honeycomb Essentials

The Honeycomb Essentials Collection features an array of colorful and textured cellular fabrics, from decorative sheers to beautiful room-darkening materials.

The Atelier Collection

The Atelier Collection is a curated collection of roller shade fabrics that balances design and function. The collection is organized by color and each deck includes select colors for the fabric family. In this collection, each sheer fabric has a perfectly coordinating blackout option for simple specification.
